## SECTION 1: Identification of the hazardous chemical and of the supplier

### Product identifier

Trade name                                : THERMOLAST® R  
Product code                                : RI7PGM-BLCK

### Recommended use of the chemical and restrictions on use

Recommended use                         : Manufacture of rubber products  
                                                      : Manufacture of plastics products, including compounding and  
                                                      : conversion  
                                                      : Other  
Restrictions on use                         : For industrial use only.

### Manufacturer or supplier's details

Company                                     : KRAIBURG TPE TECHNOLOGY (M) SDN BHD  
Address                                        : Lot 1839, Jalan KPB 6, Kawasan Perindustrian Balakong  
                                                      : 43300 Seri Kembangan, Selangor, Malaysia  
Telephone                                     : +60395456393  
Emergency telephone number            : +60 3 9545 6393 (Only available at office times)  
E-mail address                                : sds.apac@kraiburg-tpe.com

---

Company                                     : KRAIBURG TPE GmbH & Co. KG  
                                                      : Friedrich-Schmidt-Str. 2  
                                                      : 84478 Waldkraiburg  
Telephone                                     : +49863898100  
Telefax                                        : +4986389810310  
E-mail address                                : sds.emea@kraiburg-tpe.com

---

Company                                     : KRAIBURG TPE CORPORATION  
Address                                        : 4365 Hamilton Mill Rd.  
                                                      : Buford GA 35608  
Telephone                                     : +1(678)584-5020  
E-mail address of                             : sds.amer@kraiburg-tpe.com

---

## SECTION 2: Hazards identification

### Classification of the hazardous chemical

Not a hazardous substance or mixture.

### Label elements

Not a hazardous substance or mixture.

### Other hazards which do not result in classification

None known.

---

## SECTION 3: Composition and information of the ingredients of the hazardous chemical

Substance / Mixture            : Mixture

### Components

No hazardous ingredients

---

## SECTION 4: First aid measures

General advice                : Do not leave the victim unattended.

If inhaled                      : If unconscious, place in recovery position and seek medical advice.  
If symptoms persist, call a physician.

In case of skin contact        : Cool skin rapidly with cold water after contact with molten material.  
Do not peel solidified product off the skin.

In case of eye contact         : Remove contact lenses.  
Protect unharmed eye.  
If eye irritation persists, consult a specialist.

If swallowed                  : Keep respiratory tract clear.  
Do not give milk or alcoholic beverages.  
Never give anything by mouth to an unconscious person.  
If symptoms persist, call a physician.

Most important symptoms and effects, both acute and delayed            : None known.

Notes to physician             : Treat symptomatically.

---

## SECTION 5: Firefighting measures

### Extinguishing media

### Physicochemical hazards arising from the chemical

Hazardous combustion products            : No hazardous combustion products are known

---

# SAFETY DATA SHEET

Version            Revision Date:            SDS Number:            Date of last issue: -  
0.0                00.00.0000            100000033302            Date of first issue: 06.03.2024

---

## Special protective equipment and precautions for fire-fighters

Special protective equipment : Wear self-contained breathing apparatus for firefighting if necessary for firefighters  
Specific extinguishing methods : Standard procedure for chemical fires.  
Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

---

## SECTION 6: Accidental release measures

Environmental precautions : Do not flush into surface water or sanitary sewer system.  
Methods and materials for containment and cleaning up : Shovel or sweep up.

---

## SECTION 7: Handling and storage

### Handling

#### Precautions for safe handling

Advice on protection against fire and explosion : Normal measures for preventive fire protection.  
Advice on safe handling : For personal protection see section 8.  
Smoking, eating and drinking should be prohibited in the application area.

### Storage

#### Conditions for safe storage, including any incompatibilities

Conditions for safe storage : Electrical installations / working materials must comply with the technological safety standards.  
Materials to avoid : No materials to be especially mentioned.  
Further information on storage stability : No decomposition if stored and applied as directed.

---

## SECTION 8: Exposure controls and personal protection

### Control parameters

Contains no substances with occupational exposure limit values.

### Individual protection measures, such as personal protective equipment

Eye/face protection : Safety glasses  
Skin protection : Work uniform or laboratory coat.  
Respiratory protection : No personal respiratory protective equipment normally required.  
Hygiene measures : General industrial hygiene practice.

---

## SECTION 9: Physical and chemical properties

Appearance : granular  
Colour : various

---

0.0                00.00.0000              100000033302           Date of first issue: 06.03.2024

---

## Other adverse effects

### Product:

Additional ecological information : No data available

---

## SECTION 13: Disposal information

### Disposal methods

Contaminated packaging : Empty containers should be taken to an approved waste handling site for recycling or disposal.

---

## SECTION 14: Transport information

### International Regulations

#### Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code

Not applicable for product as supplied.

#### Special precautions for user

Not applicable

---

## SECTION 15: Regulatory information

### Safety, health, and environmental regulations specific for the hazardous chemical

Occupational Safety and Health (Classification, Labelling and Safety Data Sheet of Hazardous Chemicals) Regulations 2013.

Occupational Safety and Health (Use and Standards of Exposure of Chemicals Hazardous to Health) Regulations 2000.

---

## SECTION 16: Other information

Revision Date : 00.00.0000  
Date format : dd.mm.yyyy
